## From our Orchards

After over 50 years of growing and packing our own pears and cherries, we created **Golden State Fruit** in 2009 to bring the handpicked premium pears and the freshest fruit of our California orchards direct to door-steps. All fruit gifts and monthly fruit clubs are hand packed with care the day they ship.

## Handcrafted Chocolate

Made in small batches with only real dark, milk and white chocolate, nothing compares to the decadent handmade creations by our **CY Chocolates** expert chocolatiers in our own kitchens. You'll find our delicious confections throughout these pages as stand-alone gifts and in many of our fruit and gourmet offerings.

## Premium Gourmet Foods

**Farmstead Gourmet** offers gourmet assortments of carefully selected specialty cheeses crafted from small, sustainably-farmed dairies, deluxe nut mixes, savory snacks, quality candies and our own beautifully designed, hand-packed dried fruit and nut gifts.
